

Get a Quotation - Freight Rates | Wilson Bulk Transport

Get a Quotation

Simply fill out the form below, hit the submit button and it's done. Just give us length, width, height & weight of your consignment, a quick description eg "2 pallets of Medical Devices or full load of malting barley". Let us know the postcode or area code of both the pick-up & delivery points (Ireland has counties not area codes) how quickly you want it delivered. We'll do the rest!

Contact name

Company name

Company postcode

Phone number

Email address

Collection post (if different from the one above)

Delivery country

Delivery area / post code
